### Before you return this application form:

Please make sure that you have understood this application and have checked the boxes applicable to you — becoming a Teaching Member through Recognition (Step 2) or Sponsorship (Step 3) — before submitting. If you have any questions contact the ATI main office (617-497-5151, fax: 617-497-2615, e-mail: ati-usa@ati-net.com), or by post at this address: ATI, 1692 Massachusetts Ave, 3rd floor, Cambridge MA 02138, USA.

### Step 1. To apply for ATI Teaching Membership, check appropriate box (only one):

Through Recognition (see Step 2 below)  Through Sponsorship (see Step 3 on the next page)

If you are already an ATI Teaching Member and wish to have an ATI Teaching Certificate, check the Sponsorship box above and follow Sponsorship instructions in Step 3.

### Step 2. Applying to become an ATI Teaching Member through Recognition:

If you already have a certificate from one of the recognized societies listed below or if you are a teaching member of ATN, you are eligible to become an ATI Teaching Member without seeking three Sponsors, but you will not receive an ATI Certificate unless you go through the Sponsorship process (see Step 3 on next page).

**First:** Check a box below for the recognized Society from which you have a certificate (or have teaching membership for ATN).

2. A copy of your certificate from a Recognized Society or proof of Teaching Membership.
3. A signed and dated copy of the ATI Code of Ethics,
4. Your Teaching Membership dues: — US\$ 184.50 for Jan. 1 to Dec. 31 if paid before July 1st  
— or US\$ 169.50 if paid after July 1st.

If you have already paid your US\$ 102.50 ATI General Member dues for the year and are applying for Teaching Membership before July 1st, send only — an additional US\$ 82.00 to make up the difference  
— or US\$ 67.00 if paid July 1st or after.

When all the above is received by the Committee, you will be notified that you are an ATI Teaching Member. If you are applying through Recognition you are now done. We welcome you!

---

### **Step 3. Applying to become an ATI Teaching Member through Sponsorship:**

If you do not have a certificate from one of the recognized societies listed on the previous page or if you are not a teaching member of ATN, you must go through the Sponsorship process to become an ATI Teaching Member. If you go through the Sponsorship process you will automatically receive an ATI Teaching Certificate. In other words, going through the Sponsorship process provides you with both the ability to become an ATI Teaching Member and be ATI certified. Only by going through this Sponsorship process does any member receive an ATI Teaching Certificate.

**First:** To become an ATI Teaching Member through Sponsorship and receive an ATI Teaching Certificate, the first step is to contact your chosen three Sponsors and arrange to have them assess you. A list of sponsors can be found on the ATI website under Sponsorship or the main office can send you a copy. Each Sponsor who endorses you will give you two copies of their sponsorship form, one for you to keep and one for you to send to ATI with your other documents.

**Next:** Send the following to the attention of the ATI Certification Coordination Committee at the USA address on the letterhead on page 1 above (or at the bottom of this page):

1. Page 1 of this application form. Keep page 2 (and a copy of page 1) for future reference.
2. One copy of the sponsorship form from each of your three Sponsors (keep the other copy for yourself).
3. A signed and dated copy of the ATI Code of Ethics.
4. Your Teaching Membership dues: — US\$ 184.50 for January 1 to December 31 if paid before July 1st  
— or US\$ 169.50 if paid after July 1st.

If you have already paid your US\$ 102.50 ATI General Member dues for the year and are applying for Teaching Membership before July 1st, send only: — an additional US\$ 80.00 to make up the difference  
— or US\$ 67.00 if paid after July 1st.

When all the above is received by the Committee, you will be notified that you are an ATI Teaching Member and will receive your ATI Teaching Certificate. Please allow at least six weeks for processing. If you are applying through Sponsorship you are now done. We welcome you!

It is optional to complete the “ATI Sponsorship Candidate Feedback Form” included with your application package, but we encourage you to do so as this information will help us improve the Sponsorship process.

### THE ATI CODE OF ETHICS OF PROFESSIONAL CONDUCT

This Code of Ethics sets forth ethical principles for Alexander Technique Teachers.

This Code of Ethics sets forth ethical principles for Alexander Technique teachers. The public has the right to expect that all ATI teaching members are properly evaluated and qualified to teach the F.M Alexander Technique. ATI members act in a constructive, non-sectarian, non-discriminatory manner with colleagues, associates, students and the public.

#### 1. THE TEACHER–STUDENT RELATIONSHIP

- 1.1 It is the responsibility of the Alexander Technique teacher to maintain a professional attitude throughout the period of time during which the Alexander Technique teacher/ student are working together.
- 1.2 An Alexander Technique teacher does not use their authority for personal gain, whether that gain be cultural, emotional, political or religious in nature. An Alexander Technique teacher does not enter into a sexual relationship with a student.
- 1.3 Students retain the right of confidentiality, and no information regarding the pupil is released to a third party without the consent of the pupil.
- 1.4 While the use of the principles of the F.M. Alexander Technique may produce effects that are beneficial or therapeutic, an Alexander Technique teacher informs all students that the F.M. Alexander Technique is an educational process, which improves the general level of functioning of the individual. In cases where professional medical assistance is indicated, Alexander Technique teachers encourage their students to seek such help. At no time does an Alexander Technique teacher make medical diagnoses or prescribe medical remedies. An Alexander Technique teacher does not proffer claims that the F.M. Alexander technique is a cure for any malady.
- 1.5 Any policy regarding payment, cancellation, lateness, or proper attire is fully explained to the student prior to the commencement of lessons and put in writing.
- 1.6 F.M. Alexander Technique lessons do not require the student to disrobe. Special projects requiring special dress are to be explained and agreed upon beforehand by all participants.
- 1.7 Students have the right to register a complaint with the ATI Ethics Committee. Their Alexander Technique teacher informs them of the process for doing so.

## 2. THE TEACHER–TEACHER RELATIONSHIP

- 2.1 ATI Teaching Members interact with each other and all Alexander Technique Teachers with professional and collegial respect. Differences of professional opinion are addressed without personally attacking or devaluing another's work.
- 2.2 ATI Teaching Members assist, support and encourage each other and all Alexander Technique Teachers in acquiring and maintaining the integrity, competency and highest standards of the profession.
- 2.3 ATI Teaching Members do not use their authority for personal gain over any colleague, whether that gain be cultural, emotional, financial, political or religious in nature.
- 2.4 ATI Teaching Members do not intentionally solicit or canvas known pupils, students, or trainees of any Alexander Technique Teacher without the permission of those teachers. Mailings to the general public, or the publicizing of specific courses, lecture, or workshops are not included in this provision.
- 2.5 Respecting the confidentiality of other ATI Teaching Members, ATI Teaching Members do not communicate to a third party any information that may be damaging to another Alexander Technique Teacher's reputation. If a third party's safety is at risk, ATI Teaching Members act upon their best judgement, taking into account the urgency of the situation and the laws of the country where the parties reside.
- 2.6 ATI Teaching Members who perceive a breach of The Code of Professional Conduct by a colleague speak directly to the colleague or teacher, before taking further action. If the ATI Member experiences difficulty approaching a colleague or teacher directly, the member may request an Advocate be appointed by the Ethics Advisory Committee Chair (for further clarification see Procedures for filing a complaint). If at all possible the Advocate speaks the language of the member with a complaint.
- 2.7 ATI Teaching Members may seek support from the ATI Ethics Advisory Committee to resolve any ethical concern.
- 2.8 ATI Members (both Teaching and Trainee), receiving a complaint about a third party from a colleague or a teacher, respectfully encourage and support the colleague in addressing the complaint directly to the third party or to the Ethics Advisory Committee.
- 2.9 Members who serve on the ATI Ethics Advisory Committee or who are Sponsoring Members may discuss information about ATI Teaching Members only within the jurisdiction of their committees, and the Board Members informed of decisions made within these committees are also bound by the same rule of confidentiality. If a member of the board or committee is involved directly or indirectly with the issue that member shall withdraw.
- 2.10 ATI committee and board members inform their committees and board members of possible conflicts of interest which might affect their functioning within the committee or board. The committee or board decides the extent to which that member should be involved in the discussion or decision making in that particular matter before the committee or board. Conflicts of interest might be personal, professional, legal or financial in nature.
- 2.11 ATI Teaching members maintain clearly defined boundaries in all dealings with each other. ATI strongly recommends that when entering into business relationships, members clarify expectations in a written contract agreed upon by all parties, defining roles and spelling out clearly any financial arrangements.

### 3. TEACHER–PROFESSIONAL RESPONSIBILITY

- 3.1 ATI Teaching Members continue to deepen their knowledge and understanding of the F.M. Alexander Technique and to improve their teaching skills. ATI Teaching Members participate regularly in professional interactions, workshops, research and publications.
- 3.2 ATI Teaching Members recognize the labor necessary to run ATI and contribute their time and expertise to ATI on committees or other positions of leadership when possible.
- 3.3 ATI Teaching Members accurately represent their professional qualifications and experience and describe the F.M. Alexander Technique without false or exaggerated claims. (see guideline below)
- 3.4 Public advertisement of the F.M. Alexander Technique does not include any false, fraudulent, misleading or deceptive statements or claims by ATI Teaching Members.
- 3.5 ATI Teaching Members maintain the integrity of the F. M. Alexander Technique. When other modalities are introduced within the context of a lesson or workshop, they are clearly identified as being distinct from the Alexander Technique.
- 3.6 In their teaching ATI Teaching Members acknowledge appropriately the work or ideas of others. (see guidelines below)
- 3.7 ATI Teaching Members understand and respect personal boundaries, and accept the responsibility to hold inviolate the well-being of self, students and associates within the Alexander Technique community and the community at large.
- 3.8 ATI Teaching Members establish respectful and cooperative professional relationships with other practitioners and other professions.
- 3.9 ATI Teaching Members maintain a high level of personal integrity, bearing in mind that their behavior and how they represent themselves within the community is a reflection on ATI.

#### Guidelines to the Code of Ethics

##### Part 3

- 3.3 ATI Teaching Members represent the Alexander Technique as an educational process. Therefore, any communication with the public makes clear that beneficial effects from Alexander lessons are the result of that educational process.
- 3.6 ATI Teaching Members do not claim ownership of an idea that is not their own.

I agree to abide by the above Code of Ethics:

### ATI CRITERIA SPONSORSHIP FORM

Evaluation of Applicants for ATI Teaching Membership and/or an ATI Teaching Certificate  
Applicant will be evaluated according to ATI Criteria as designated in the ATI Bylaws.

SPONSOR: \_\_\_\_\_ APPLICANT: \_\_\_\_\_

#### ATI Criteria for Evaluating the Competencies of Teachers Adopted by the Membership, October, 2000

In order to be eligible for certification by Alexander Technique International, teacher-candidates should be of good character, have a clear understanding of the Alexander Technique concepts and principles and have the basic skills to convey these concepts and principles clearly to a pupil.

##### I. Conduct

- A. Demonstrate qualities of patience, compassion, honesty, and respect in interactions with peers and students. Completion of an Alexander Technique training process shall be considered representation by the candidate's trainers that the candidate has satisfactorily demonstrated these characteristics of patience, compassion, honesty, and respect in interactions with peers and students, provided the examining teacher sees no evidence to the contrary.

##### II. Knowledge

- A. Demonstrate an embodied understanding of the commonly used Alexander Technique concepts and principles by consciously allowing a positive change in their own psycho-physical coordination, and continue this change throughout any activity in order to improve the quality of their performance. This positive change can be observed as 1) an initial movement of the head in relation to the spine which results in a quality of lengthening throughout the body, allowing the person to respond in a fluid and continually adaptive way to gravity; 2) an enhanced alertness, awareness, fluidity and poise; 3) and a speaking voice that is full, clear, and fluent.
- B. Demonstrate a knowledge of Alexander's ideas by discussing their own understanding of the Technique and how Alexander's ideas have influenced their development as a person and a teacher; and suggest what literature (by Alexander or other authors) they would recommend to a pupil and why.
- C. Demonstrate an understanding of anatomy and physiology as they relate to Human movement and behavior; be able to help pupils understand how mistaken ideas about their structure interfere with their best use; answer pupils' basic questions about anatomy, and refer them to other sources for more detailed answers.
- D. Demonstrate an understanding of the ATI Code of Ethics, an appreciation of safety issues, and know when it is appropriate to refer a pupil to another professional.

##### III. Teaching Skills

- A. Demonstrate an ability to clearly and simply communicate and demonstrate the concepts and principles of the Alexander Technique by giving clear demonstrations and verbal explanations that are appropriate to the pupil's learning in the moment; when using hands, to use their hands sensitively and appropriately. Both verbal explanations and any use of hands will allow pupils to effect a positive change in their psycho-physical coordination.
- B. Demonstrate an ability to observe themselves while teaching, and later articulate to an observer the choices they made with regard to using their hands, verbal explanations and physical demonstrations.

Any applicant who has not been endorsed may undertake further study and re-apply to the same sponsor at a later date or may apply to a different sponsor. Each applicant needs the endorsement of three ATI Sponsors, only one of whom can be their primary teacher.
